

ELEMIS
Christmas Gift
Brochure 2020

Moodboard

Ladies and Gentlemen...
Hold on to your hats, ELEMIS is coming to town!
This holiday season we will be performing age defying acts and futuristic feats for your wonder and delight...

Love it. Reuse it. Recycle it.

This year, we have taken the necessary steps to ensure all of our Christmas box packaging can be recycled. The paper used on the outside of the box is sustainably sourced and the entire box is fully recyclable. The plastic inner trays have been made, where possible, from recycled plastic and can also be recycled again. It's a small step for now, with much more to come.

Once you've enjoyed your box, please recycle responsibly.
